TEXSTRA HELD ITS FIRST MULTIPLIER EVENT IN LITHUANIA

A multiplier event was organized by TEXSTRA partner, Kaunas University of Technology, in its Faculty of Mechanical Engineering and Design with students related to textile and fashion engineering.

The multiplier event has hosted by professors involved in the implementation of TEXSTRA project, prof. Rimvydas Milašius, prof. Daiva Mikučionienė and assoc. prof. Audronė Ragaišienė. The audience of the event were bachelor students at the “Fashion Engineering” program which has two specializations: “Textile Engineering” and “Apparel Fashion Engineering”. In total, 9 students from the first year, 10 from the second year and 11 from 3rd year, making a total of 30 students.

TEXSTRA DISSEMINATION

AITAE 2018

Cre.Thi.Dev and **UNIWA** presented the TEXSTRA project at the [Aegean International Textile and Advanced Engineering Conference AITAE 2018](#) on September 5-7th 2018. The conference was held in Mytilene, Lesvos, Greece .

Meeting in Kaunas

TEXSTRA partnership held its third successful meeting in Kaunas (LT), organized by Kaunas University of Technology (KTU) on October 17th 2018.

The partnership reviewed the progress made since the previous meeting in Terrassa with particular focus on the status of the e-book and the online platform for virtual internships.

The partnership also discussed main features of the book of lectures the team will develop in the coming months and that will be used during the summer training courses which will be held in Guimarães, Portugal, scheduled to mid-July 2019.
