## *CALL FOR PARTICIPANTS IN THE VIRTUAL INTERNSHIP PROGRAM*

Virtual internships are organised on the online platform for transferring research and innovation through project based training, combined with a Virtual Project Competition.

Internships will be launched and implemented through the platform. Students belonging to the university partners will be called to share ideas and brainstorm for implementing the research project and solve the company's challenge.

Groups will be called to present their project ideas together with a small business plan and PPT presentation to be posted online for evaluation. During the process they will be in strict contact with the company to whom they have been assigned (tutorship).

## SECOND MULTIPLIER EVENT IN PORTUGAL

### UMINHO organized the event in parallel to iTechStyle Summit 2019

On April 2nd, UMINHO organized a Multiplier Event in Portugal with 31 participants from different partners, coming from 15 Portuguese organizations: HEI, VET and young professional from T&C SME's.

This dissemination event was accomplished during the first day of ITechStyle Summit 2019 in Matosinhos.

The young participants had a fantastic opportunity to listen European experts from T&C sector during three days including David Shah, trend forecaster, and from two TEXSTRA partners about sustainability in the textile industry: AEI TÈXTILS and UNIWA.

## COMMUNICATION ACTIVITIES

The consortium distributed TEXSTRA leaflets during the 1<sup>st</sup> CONTEXT Conference in Barcelona on January 2019. AEI TÈXTILS, UMINHO, TUIASI and UNIWA participated.

AEI TÈXTILS, UMINHO, TUIASI and UNIWA participated in the iTechStyle Summit 2019 where they distributed leaflets of TEXSTRA. UMINHO also organized the multiplier event.

TUIASI distributed leaflets of the TEXSTRA project at #TEXTILEScircle2019 conference and made a presentation of the Virtual Internship program with a lot of interest
