- **Communication** activities

## SUCCESS IN THE TEXSTRA SUMMER SCHOOL

[UMINHO](#) organized a successful summer school from July 15<sup>th</sup> to 19<sup>th</sup> with the participation of 23 students coming from Lithuania, Greece, Romania and Portugal.

The main program featured the presentation of the project outputs including the e-book and the book of lectures. The week program included visits to textile research centers ([INL](#), [CenTi](#) and [CITEVE](#)) and textile companies. Students also were invited to join the project platform and to participate in virtual internships.

Trainers of the summer school included representatives from [UMINHO](#) (PT), [ITTI](#) (BG), [INCDTP](#) (RO), [CRE.THI.DEV](#) (GR) and [KTU](#) (LT).

## PUBLICATION OF TEXSTRA E-BOOK

The TEXSTRA team is pleased to announce the publication of Textile Strategy for Innovative Higher Education e-book, which contains four main blocks of resources: advanced textile materials, advanced manufacturing methods, circular economy and sustainability, and e-commerce. Translations are in process and will be available shortly.

## TEXSTRA TEAM MEET IN MILAN

### MCI hosts the TEXSTRA team in Milan for its fourth project meeting

The fourth meeting of TEXSTRA – Textile Strategy for Innovative Higher Education project was held on Wednesday, May 8th, in Milan (Italy) and it was organized by [Material ConneXion Italia](#) (MCI). The main goal was to review the progress made since the project start and plan for the next steps.

The main features were the presentation of the final version of the TEXSTRA e-book and the progress of the book of lectures. In addition, the partnership reviewed the communication activities and the virtual internship program.

## COMMUNICATION ACTIVITIES

On June 17th 2019, Material ConneXion Italia organized the 3rd TEXSTRA multiplier event (E3), inviting stakeholders from the T&C sector to attend a short seminar where different speakers provided their expertise on innovations for the textile industry.

[AEI Tèxtils](#) participated at [Techtextil 2019](#) distributing leaflets of the TEXSTRA project among participants and international contacts.

CRE.THI.DEV. presented the TEXSTRA project to [SEPEE](#) (Business Association of Knitting and Ready-Made-Garments Enterprises of Greece) during a Creative Wear (Interreg Med project) meeting.
